PATRONS
for BELLAIRE PARKS

Letter to Donors

Dear Friends and Neighbors,

PATRONS for Bellaire Parks is the area's leading voice for enhancing Bellaire parks and green spaces for the benefit of residents and the surrounding community. PATRONS has raised almost \$2.5 million for area parks, pools, and greenspaces. As a non-profit organization with an all-volunteer board, PATRONS actively seeks sponsors who believe in the value of parks and green spaces in urban communities and desire to help build a higher standard of living in the areas where they live and work. The benefits are not only altruistic — numerous studies have shown that neighborhoods with vibrant parks and green spaces are more livable, healthy, and economically viable. PATRONS, together with the City of Bellaire and the Parks and Recreation Citizen Advisory Board, continues to upgrade Bellaire playgrounds and green spaces.

By partnering with PATRONS and taking advantage of our sponsorship opportunities, your business will be able to connect with the citizens of Bellaire and the surrounding area, show your community support, and maximize your exposure. With multiple sponsorship levels available for each event, there is an option available for a business or organization of any size. As a Corporate Sponsor, your company will receive brand recognition and visible reinforcement of your dedication to the vitality of parks and green spaces, strengthening your roots in the community and surrounding areas.

PATRONS is thrilled to once again offer this added-value recognition program based on the positive responses from our Annual Partners in its inaugural year. We are thrilled to present a program that gives you and your business our public support and acknowledgement throughout the community that we touch each and every day. Becoming a PATRONS Partner will demonstrate that you have chosen to support this community while adding to your company's reputation of supporting worthy civic projects. **When you become a PATRONS Partner you will receive many benefits that put you at the forefront of our efforts through our many annual events and park projects all year long. You will receive year-round recognition without having to coordinate sponsorships on an event-by-event basis.**

The following pages outline several opportunities for monetary and in-kind sponsorship. **All annual donations pledged by December 31st for a 12-month period and exceeding \$3,500 (across any events) include year-round added-value recognition by PATRONS.** Other donation options are available and may help fund playgrounds, capital projects and additional special items. Once again, thank you for your support of PATRONS for Bellaire Parks and the enduring community spirit that pushes us forward each year.

Sincerely,
PATRONS for Bellaire Parks

PATRONS MISSION AND MILESTONES

PATRONS MISSION

PATRONS for Bellaire Parks, a not-for-profit citizens' organization, advocates for and participates in restoring, preserving and expanding parks, natural areas and trails for present and future generations.

The PATRONS for Bellaire Parks was founded to raise Bellaire residents' consciousness as to the value of and the need for parks and green space in our urban lives; to identify and celebrate the park space we have, while working continuously to enhance and augment it with funds for additional parkland acquisition, maintenance and upgrades.

PATRONS Fundraising Summary

PATRONS for Bellaire Parks has a passion for Bellaire parks and green space! This passion with the generous support of our community has resulted in beautiful parks and structures throughout Bellaire. **Since its inception, PATRONS for Bellaire Parks has raised almost \$2.5 million for the benefit of local parks and facilities. CITY DEMOGRAPHICS

The City of Bellaire is a historic community established in 1908, nestled in the heart of Houston that has managed to maintain a strong sense of individual character and identity amidst the fast pace of the fourth largest city in the United States. In 1949, the City of Houston annexed a 400 foot strip around the existing land of Bellaire, thus land locking the City of Bellaire to approximately 4 square miles.

Schools of varying types and campus sizes are a major part of the landscape in Bellaire. Along with large-scale office buildings along and near Loop 610, a thriving downtown commercial district and school campuses are also among the community's most significant traffic generators.

The most recent U.S. Census Bureau's estimate of Bellaire's population is 17,209 as of 2020. Bellaire has experienced a growth trend since 2000 reflects ongoing residential redevelopment activity, as well as the renewed presence of younger families in Bellaire, with the average household size increasing from 2.58 persons in 2000 to 2.79 in 2020.

Bellaire is an affluent community in Houston located within Park Sector 8, as defined by the Houston Parks and Recreation System Master Plan. This sector is the most populous of any throughout the city and has many areas of high need in the southeast. Fifty-seven (57%) of the population in this Park Sector has incomes considered to be low to moderate. This Park Sector is deficient in playgrounds, picnic shelters, trails, volleyball courts, dog parks, skate parks, community centers, swimming pools, and softball and soccer fields. Because of the health profile (obesity, 31.9%, and diabetes, 14.5%) of this Park Sector, partnerships focused on increasing physical activity levels and programming for healthy living are cited as heavily needed. The Bellaire park system benefits and services this population.

In recent years, the majority of residences have been redeveloped. New homes tend to be larger than the houses they replace leaving residents with smaller yards. Bellaire households, many with children living at home are thus left with greater lot coverage and smaller yards. This tends to increase the demand for public green spaces, play fields and other City amenities. Although Bellaire has 14 beautiful parks, the City currently falls below the national ratio of residents to acres of parkland as identified by the National Parks and Recreation Association (NPRA, 2012).

OTHER GIVING OPPORTUNITIES

IN-KIND GIFTS

PATRONS fundraising events have been a gathering of local residents, community and business leaders, and park enthusiasts from the greater Houston area since 2008. We have provided our attendees with entertaining evenings for adults and exciting activities for the whole family. Our events are consistently well attended and often sold out because we offer attendees a venue to have a great time while supporting a cause they believe in.

Annually, PATRONS seeks In-Kind food and beverage donations for these fundraising events. As an In-Kind donor, you can help PATRONS reduce expenses associated with events which enables us to direct a larger amount of funds to our projects in the community. In turn, PATRONS offers you positive exposure in the community by advertising you in this market and providing an opportunity to interact with potential customers.

Beginning in 2025, In-Kind Donors providing items with a fair market value of \$3,500 and above will receive added value recognition commensurate with the fair market value of their donation via year-long brand exposure. This recognition will commence the YEAR FOLLOWING the in-kind contributions, beginning in January 2026. A listing of In-Kind Gift Opportunities is below.
